[Redacted]

The airfield of PRENZLAU (N 54/04) (see Annex and attached photos) was not occupied by a Soviet Air Force unit. All technical installations of the field had been destroyed. The airfield barracks were occupied by People's Police. The landing field and most of the taxiways were serviceable.

25X1A

Comment:

Report indicates that there has been no change in the conditions of the PRENZLAU airfield since 2 August 1949.

Attached are the originals of photographs which confirm the data in the report.

- 2 Annexes:
1. Airfield of PRENZLAU
 2. Photographs taken at the PRENZLAU Airfield
